

Internal EAZA campaign 2021-2023

Declaration of participation of an EAZA Member institution

The campaign is open to all EAZA Members and Candidates in all membership categories.

This institutional declaration is to be signed by the CEO/Director of the EAZA Member institution and uploaded through the link [on the campaign website](#), as a scan, photo or electronic document.

I declare the participation of:

.....
name of EAZA Member institution

in the EAZA21+ campaign.

I also declare that I, and/or other staff members, will:

1. **actively participate** in the campaign webinars and workshops, to explore the opportunities of the post-2020 biodiversity framework,
2. **encourage my colleagues** to register [via the personal registration form](#), to receive campaign invitations, newsletters and resources,
3. **take the conclusions**, toolkits and other outputs of the campaign **into account** when formulating our future work plans,
4. **respond to the campaign survey** at the beginning and end of the campaign, and again several years after the campaign.

.....
name and role, date, signature

Our institution's main contact for the campaign will be:

.....
name and role, e-mail

The main contact is asked to register [via the personal registration form](#).
